

Centralisation of the work of Disposal of Waste Paper.**REFERENCES—**

1. Item (1) of the Proceedings of the Meeting of the Secretaries to Government held on 5th May 1959.
2. Letter No. SPC/16150, dated 7th September 1959 from the Secretary, Stores Purchase Committee, Bangalore, on the above subject.

PREAMBLE—

At the meeting of the Secretaries to Government held on 5th May 1959, it was suggested that an attempt be made to centralise disposal of waste paper on a regional basis, the entire State being grouped under three zones and quotations called for, for the collection of waste paper accordingly. The suggestions have been considered by the Stores Purchase Committee who have proposed that action be taken on the following lines:—

(1) The State may be divided into four zones instead of three, each zone corresponding to the Divisional Commissioner's jurisdiction.

(2) Stores Purchase Committee will call for tenders for the purchase of waste paper from the places where they are collected.

(3) It is considered unnecessary to transport waste paper from taluk headquarters to the district headquarters. As a first step, all the papers at district headquarters and Bangalore will be disposed of by calling for tenders. As regards material in taluk headquarters, the Mysore State Khadi and Village Industries Board will be asked whether they would lift the waste paper from taluk headquarters for industries to be set up. It is also quite likely that the Mysore Paper Mills and the Dandeli Paper Mills may be willing to lift waste paper collected at taluk headquarters round about Bhadravati and Dandeli. The responsibility for collection of waste paper will be that of the head of the office. Even in Bangalore it is not necessary that the waste paper should be taken to a central place for being disposed off to the contractors. Contractor will have to collect the paper from the offices concerned.

(4) It will be the responsibility of the contractors of each zone to take delivery within 15 days of notice from the head of the office. In case of default, penalty will be levied by the Stores Purchase Committee according to Stores Purchase Committee Rules, that is to say the contractor will have to deposit an earnest money of Rs. 500 and the Stores Purchase Committee will be at liberty to forfeit any amount they decide upon, out of this amount, considering the performance of the contractor.

(5) As regards supply of paper to the State Khadi and Village Industries Board, the Stores Purchase Committee will settle this separately with the representatives of the Board. As regards Mysore Paper Mills and Dandeli Paper Mills also similar action will be taken.

ORDER No. CI 54 MSP 59, DATED BANGALORE, THE 6TH NOVEMBER 1959.
(KARTHIKA 14, SAKA ERA 1881).

The proposals of the Stores Purchase Committee are approved, and they are authorised to take further action in the matter.

It is, however, directed that first priority will be given to the Mysore State Khadi and Village Industries Board, second priority to Mysore Paper Mills subject to rates offered being reasonable and failing these two, the waste paper will be disposed off to the best price in open market on the terms set out above.

By Order and in the name of the Governor of Mysore,

S. N. KALABHAIRAVAN,

*Under Secretary to Government,
Commerce and Industries Department.*

CHIEF SECRETARIAT

Inspection of Offices of Heads of Departments by outside agency.

READ—

Government Order No. 43 BAC 59, dated 10th August 1959.

ORDER No. GAD 70 OOM 59, DATED BANGALORE, THE 2ND NOVEMBER 1959
(KARTHIKA 11, SAKA ERA 1881).

In para 6 of the Government Order read above, it is stated that no machinery exists at present for the regular inspection of the offices of the Heads of Departments. It has since been ascertained from the Divisional Commissioners and

some Heads of Departments that as presiding officers, they are regularly inspecting their own offices and are taking action to rectify the defects noticed by them during such inspections. It is therefore considered unnecessary to depute any outside agency to periodically inspect the Offices of the Heads of Departments. In partial modification of para 6 of the Government Order dated 10th August 1959 read above, it is hereby ordered that henceforth, the Heads of Departments should inspect their own offices and forward reports of inspection to Government in the administrative department concerned, so as to furnish an idea to the Government of the work done by them and the state of affairs in their offices. The Offices of the Heads of Departments will not normally be inspected by the Director, Efficiency Audit and Anti-Corruption, unless authorised by Government.

The Heads of Departments are requested to ensure inspection of their offices regularly once a year not later than the month of January and send reports of their inspection to Government in the administrative department before the end of February.

By Order and in the name of the Governor of Mysore,

K. MUHAMMAD BEARY,

Under Secretary to Government,
General Administration Department
(O. & M. Sec.).

Policy regarding Inter-Departmental Transfers.

OFFICIAL MEMORANDUM

No. GAD (S-1)-154-SRR 59, DATED BANGALORE, THE 3RD NOVEMBER 1959
(KARTHIKA 12, SAKA ERA 1881).

According to sub-rule (1) of Rule 50 of Mysore Civil Services Rules, 1958, inter-departmental transfers should not ordinarily be permitted except in special circumstances or in the interest of public service. Recently many instances have come to the notice of Government wherein proposals for such inter-departmental transfers were made without any regard to the provision referred to above. In some cases proposals involving transfers of officials in bulk from one department to another, were made on the score that they have been working in the other department on deputation basis for many years. Obviously, such proposals cannot be entertained as they will adversely affect the interests of the officials working in the other department. It is, therefore, directed that as a matter of policy, transfers of Government servants from one Department to another should not be permitted and that the Heads of Departments should not submit proposals to Government except in exceptional cases, i.e., where refusal is likely to cause great hardship to the Government servant concerned or where the official is specially qualified to serve in the other department.

MAVARIAHIAK M. S.

L. A. DHAMANIGI,

Under Secretary to Government,
General Administration Department
(Services-1).
